

NCCU Course Evaluation Survey

Dear Students:

This survey seeks to find out your opinions about the course and the instructor' s teaching. Please check the appropriate items and give your written opinions on the questionnaire.

The results of the "General Questions on Teaching Quality of the End-semester Survey" will be used as a reference for teaching improvement and faculty promotion consideration. They will also be used as one of the criteria in deciding NCCU' s "Outstanding Teaching Performance Awards. "

Please note that the survey results will be processed in aggregate and presented anonymously only. They will have no impact on your final grade. Your honest expression of opinions and cooperation are greatly appreciated.
